Sustain®

DEPOSITION ADJUVANT

Proprietary Protected Technology Calif. Reg. No. 90930-50015

ACTIVE INGREDIENTS

Pinene (terpene) Polymers,
petrolatum, alkyl amine
ethoxylate 100%

WARNING

**KEEP OUT OF REACH OF CHILDREN
VERY TOXIC TO AQUATIC LIFE WITH
LONG LASTING EFFECTS
P273 - AVOID RELEASE TO THE
ENVIRONMENT**

PRECAUTIONARY STATEMENTS

Wear appropriate protective equipment, including eyewear (such as safety glasses with side shields, goggles, or a face shield), protective clothing, and gloves. Use impervious gloves if prolonged or repeated skin contact is expected. If ventilation is insufficient, wear suitable respiratory protection.

FIRST AID

EYE CONTACT	Rinse cautiously with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.
SKIN CONTACT	Take off contaminated clothing. Wash with plenty of water for at least 15 minutes. If skin irritation occurs, get medical advice / attention. Take off contaminated clothing and wash before reuse.
INHALATION	Remove to fresh air. If not breathing, give artificial respiration, preferably by mouth-to-mouth. If breathing is difficult, give oxygen. Call a physician
INGESTION	If swallowed, DO NOT induce vomiting. Rinse mouth with water. Dilute stomach contents by drinking water. If vomiting occurs spontaneously, keep head below hips to prevent breathing vomit into lungs. NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON. Call a physician immediately!

Have product container or label on hand when contacting a poison control center, consulting a doctor, or seeking medical treatment.

GENERAL INFORMATION

Sustain® is a deposition adjuvant with non-ionic properties, designed to improve the contact, wetting, and adhesion of pesticides on the plant surface. Sustain forms a soft film which polymerizes, protecting spray deposits from rainfall erosion, volatility, and ultraviolet (UV) degradation. Under most conditions, apply sprays containing Sustain at least one half hour, during daylight, before an anticipated rain. Sunlight, direct or indirect, for this time period is needed for the film to set.

DEPOSITION ADJUVANT

DIRECTIONS FOR USE

SOIL APPLIED PESTICIDES: To stabilize, improve performance and retard photo-degradation apply Sustain at 1/2 to 2 pints per acre.

Sustain may be used with all products registered for: Agricultural, Forestry, Ornamental, Industrial Vegetation and Non-Cropland uses. Sustain may be applied by ground or aerial spray equipment in concentrate or dilute sprays.

GROUND: Dosage per 100 gallons of spray solution (dilute).

Fungicides, Insecticides, Plant Growth Regulators: 4 oz. to 1 pint

Herbicides: 4 oz. to 1 pint

AERIAL APPLICATIONS OR CONCENTRATE GROUND SPRAYS UNDER 50 GALLONS OF WATER PER ACRE: Use 4 to 16 oz. per acre.

MIXING

Do not mix with hot water (above 100°). Fill spray tank one-half full with water and begin agitation. Add pesticides as directed by label and continue filling. Add Sustain last and continue agitation.

Use this product in accordance with good agronomic practices, which include utilizing proven spray equipment set for proper coverage.

PHYTOTOXICITY HAZARDS

Under some environmental conditions, some pesticides or pesticide combinations may cause phytotoxicity on growing plants. Adjuvant products such as this product may increase the chance or the intensity of phytotoxicity. Use this product in a manner consistent with individual pesticide product recommendations.

ENVIRONMENTAL HAZARDS

This product is not for aquatic use. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

STORAGE

Keep in original container. Store in a locked, dry, cool, and well-ventilated area, away from direct sunlight. Store away from incompatible materials. Collect spillage. For 24-hour emergency assistance with spills, leaks, or exposure, call CHEMTREC at (800) 424-9300. Dispose of the contents at a permitted facility or as advised by your local regulatory authority.

CONTAINER DISPOSAL

Triple rinse (or equivalent) during mixing or loading. Dispose of contents/containers in accordance with local regulations.

WARRANTY STATEMENT: Miller Chemical and Fertilizer, LLC warrants that this product conforms to its labeled chemical description and is reasonably suitable for the specified purposes when used as directed. However, inherent risks exist, including weather conditions, other substances, or variations in use beyond Miller's control which may result in crop injury, ineffectiveness, or other unintended consequences.
